

The EU General Data Protection Regulation (GDPR) May 2018

As a supplier, or contractor for your organisation, we are required to hold information in order for us to fulfil our contractual agreement to you.

Information can include full contact details including banking details, Emails etc. We use this information to ensure that we can provide a comprehensive service to you.

The safe storage of your personal information is taken very seriously by Castle Freight Ltd. We will not share or provide the information we hold on your organisation with any third party unless legally obliged to do so. Where this is necessary we will comply with all aspects of the EU GDPR.

You have a right to request a copy of the information we hold about you at any time. If you wish to request a copy this can be done by submitting a written request to our data controller Stewart Matthews.

Unless we hear otherwise we shall take this as consent to continue to hold information on your organisation in a safe and controlled way.
